

# JATUPORN SAENTHIP

## Android Developer

### OBJECTIVE

0 years of experience.

Hello, my nickname is Ohm. I am 22 years old. I am a new graduate student in computer science. I am very interested in the Kotlin language. Because the language I used to write and like is Java. I practiced skills and created many projects with Kotlin. And I'll continued to practice until I was a senior.

### LANGUAGE

Thai (Native), English (Read, Write)

### CONTACTS

9/17 Sukhaphiban 5 Road, Bangkok  
10220

082-789-3829
